Plumbing Condensed Catalog

TOP REASONS TO SPECIFY T&S BRASS

24-Hour Quick Ship

Call in your order before noon for same day processing and fast turnaround. You never have to worry about downtime or finding room for inventory. We make sure your order arrives when you need it.

Outstanding Customer Service

A T&S trademark – our highly trained, friendly and knowledgeable staff answers your calls without delay. Established customers can also access T&S through E-Store, our online ordering website that gives you anytime, anywhere convenience with ordering, tracking shipments and more. Register today at <http://register.tsbrass.com>

Custom Engineering and Modifications

Our engineers have the technical expertise and qualifications to design and build to your specific requirements. When needed, we can customize your order, so with confidence we say, "We can make it like you want it and get it to you when you need it."

Interchangeability

For more than 70 years, our products have been manufactured to work together – handles, spouts, inlets, aerators and accessories. Our interchangeable philosophy gives you exceptional flexibility and performance efficiencies that are unsurpassed. Our standardized parts allow you to carry less inventory.

Energy and Water Conserving Design

T&S understands how vital water conservation is today. We lead the way in the foodservice and plumbing industries with our extensive line of water- and energy-saving products that meet and exceed conservation requirements while not compromising performance.

East and West Coast Warehouses

Our warehouses are located on both coasts so we can serve you better and faster. Customer service representatives are available to take your calls between 8:00 a.m. EST and 5:00 p.m. PST.

Quality and Innovation

Founded on a commitment to quality and innovation, T&S Brass introduced the industry's first pre-rinse unit. Ever since that time we have set the standard for new products designed to keep up with evolving applications while cutting installation time. Our heavy-duty brass castings and cartridges have proven themselves as long-term fixtures in many commercial applications. And we're a leader on product safety.

Extensive Product Line

We offer an extensive range of products for practically every industry – from plumbing and food-service to laboratory, institutional, medical and even the pet market. You'll find T&S in restaurants, hospitals, schools and hotels around the world. Whatever your application needs, we've got you covered or we'll work with you to create the best possible solution.

Rigorous Testing

At T&S, we test every single product we manufacture. Reliability Built In™ means nothing gets past us, and you'll never have to worry about product performance.

Family Owned and Operated

Founded in 1947, T&S is a family owned and operated business committed to quality, innovation and the highest service to our customers. We manufacture products to solve real world problems and services designed to make your life simpler.

Codes and Compliances

T&S products are manufactured to the highest standards in the industry, and are certified by a wide variety of national and international organizations, such as ISO, CSA, UL, NSF, IAPMO, ASSE and the list goes on. We are committed to the safety and reliability of each fixture we make. When specific issues arise such as safe drinking water concerns* or water pressure limitations, you can trust us for solutions and products that are up to code.

* T&S products are ANSI/NSF Standard 61, Section 9 certified.

Customize flow times and conserve water with metering faucets

Use hydro-generators to power sensor faucets using self-sustaining energy

**WE KNOW
SUSTAINABILITY.**

Conserve up to one gallon of water per hand wash with sensor faucets

Choose the right flow restrictor to save water with any faucet

That's why you can trust T&S to help conserve both natural and financial resources.

Today's green building projects require products that last longer, use less and conserve more. From low-flow pre-rinse spray valves and electronic sensor faucets to aerators, cartridges and more, you can count on T&S for reliable, low-flow plumbing solutions, all manufactured responsibly. Because it's not just about how well it works — it's about how well it's made.

When it comes to sustainability, water and energy conservation is just the start. Learn more about the big picture at tsbrass.com/sustainability today.

Low-flow products from T&S Brass can help earn points in multiple categories toward LEED certification.

The California Energy Commission (CEC) adopted new water standards effective July 2016. All “non-public lavatory” faucets in California are now limited to 1.2 GPM maximum flow rate.

B-0300 Double Pantry Faucet

- Single hole deck-mount mixing faucet
- 18" flexible inlet hoses (compression fittings for 5/8" O.D. tubing or 1/2" NPSM male thread)
- 5 1/2" rigid gooseneck (120X)
- B-LT stream regulator outlet
- Eterna cartridges
- Lever handles with color coded indexes

B-0305-01 Same as B-0300 except is a single pantry faucet w/ 2.2 GPM aerator

B-0706 and B-0708 Self-Closing Single Sink Faucets

- Wall-mount single sill faucets
- Four-arm handle with blue index
- Fast self-closing valve

B-0706:

- 1/2" NPT female inlet

- 2" diameter flange

B-0708:

- 1/2" NPT male inlet

B-0665-BSTP Service Sink Faucet

- 8" wall-mount service sink faucet
- Polished chrome plated finish
- Quarter-turn Eterna cartridges with spring checks
- Lever handles with color coded indexes
- Built-in screwdriver stops
- Atmospheric vacuum breaker spout with 3/4" garden hose male thread and pail hook
- Upper wall support w/ mounting screws
- 1/2" NPT female eccentric flanged inlets (00AA)

B-0665-BSTR Same as B-0665-BSTP except rough chrome finish

B-0710-F12 Single Basin Faucet

- Single hole single temperature deck-mount basin faucet
- Integral spout with 1.2 GPM aerator (B-0199-02-F12)
- Eterna cartridge
- Four-arm handle with blue index
- Includes tailpiece and nut for 1/4" NPT connection (150A)
- CEC Compliant

T&S Cartridge Options: CERAMA (-CR)

- Corrosion-resistant ceramic material
- Backed by a lifetime guarantee
- Withstands temperatures up to 180° F

B-0712 Push Button Metering Faucets

- Single hole single temperature deck-mount faucet
- Metering cartridge with adjustable timed flow
- Blank push button cap with vandal-resistant screw
- 1/2" NPSM male inlet
- Includes tailpiece and nut for 1/4" NPT connection (150A)

B-0805
Slow Self-Closing Single
Temperature Faucets

- Single hole single temperature deck-mount faucet
- Metering cartridge with adjustable timed flow
- Blank push button cap with vandal-resistant screw
- 1/2" NPSM male inlet
- CEC Compliant

B-0805

B-0800-F10
Slow Self-Closing Wash Sink
Single Temperature Faucet

- Single hole single temperature wall-mount faucet
- 1.0 GPM Rosespray outlet (B-0103-FD10)
- Metering cartridge with adjustable timed flow from 10 to 30 seconds
- Blank push button cap with vandal-resistant screw
- 1/2" NPT female inlet
- 3-7/8" spread from wall to center of outlet
- CEC Compliant

B-0800-F10

B-0831
Slow Self-Closing Centerset
Lavatory Faucets

- 4" centerset deck-mount mixing faucet
- Metering cartridges with adjustable timed flow
- 1/2" NPSM male inlets

VR Vandal-resistant

B-2360 Bubbler

- Polished chrome plated bubbler
- Flexible mouth guard
- Fast self-closing cartridge with lever handle
- Hidden flow control
- 1/2" NPSM shank and coupling nut

B-2360-01 Same as B-2360 except with push button metering cartridge (push button handle)

B-0502 Double Foot Pedal Valve, Floor Mounted

- Self-closing valves
- Hot and cold pedals
- Inlets on 2-7/16" centers
- 1" (25 mm) from floor to center of inlets
- 1/2" NPT female inlets and outlets
- Furnished with two (2) wood mounting screws

B-0520 Rigid Dummy Gooseneck Spout

- Deck-mount rigid gooseneck (120X)
- B-LT stream regulator outlet
- 1-11/16" diameter rigid deck flange with 1/2" NPSM male inlet
- Mounting nut and washer
- Includes (150A) tailpiece and nut for 1/4" NPT connection

**BL-4000-01
Hose Cock**

- Ball valve construction
- CSA approved for fuel gases up to .5 psi max.
- 125 psi max. for air
- 3/8" NPT male inlet
- Serrated hose tip
- Snap-in indexes included; gas, air or vacuum

Note: Not for water, steam or oxygen. For oxygen and specialty gases use BL-4010-01

**BL-4010-01
Needle Valve**

- 3/8" NPT male inlet
- CSA approved for fuel gases up to .5 psi max.
- Floating stainless steel needle point
- Serrated hose tip
- Snap-in indexes included; gas, air or vacuum
- For use with oxygen and other gases up to 80 psi

Note: Not for water or steam

**BL-4200-0
Turret with Two Hose Cocks**

- Two hose cocks at 90°
- 3/8" NPT female inlet
- Snap-in indexes included; gas, air or vacuum
- Diameter 2-3/16"; height 3-5/8"
- .5 psi max. for natural gas
- 125 psi max. for other gases

Note: For oxygen and specialty gases use BL-4210-01

**BL-5700-08
Double Ledge Faucet**

- Single hole deck-mount laboratory mixing faucet
- Rigid vacuum breaker nozzle with serrated hose tip
- 18" flexible inlets with 5/8" compression / 1/2" NPSM male couplings
- Eterna cartridges
- Four-arm handles with color coded indexes
- 1-1/8" shank diameter
- Mounting gasket included

**BL-6000-02
Combination Gas/Water Faucet**

- (2) ball valve hose cocks with gas indexes
- 3/8" NPT male inlets for water and gas
- Gooseneck with serrated hose tip
- Four-arm handle with green cold water index
- (2) supply nipples, lock washer, lock nuts, mounting gasket

**BL-9505-01
PVC Single Ledge Faucet Compression Type**

- Single hole single temperature deck-mount PVC faucet
- Rigid gooseneck with serrated hose tip
- 1/4" dia. threaded shank and lock nut
- 3/8" NPT female inlet
- All PVC for use with distilled water
- Knob handle with white distilled water index

T&S ChekPoint™ Electronic Sensor Faucets

- T&S ChekPoint ELECTRONIC SENSOR FAUCETS include:**
- AC/DC control Module (electric plug-in and battery)
 - Adjustable automatic time-out feature
 - Hands-free washing conserves water and reduces risk of contamination
 - Adjustable temperature control mixing valve

T&S ChekPoint™ EC-3100 Series Electronic Sensor Faucets

- Deck mount chrome plated electronic faucet
- Rigid gooseneck
- Mechanical temperature mixing valve with integral check valves
- AC/DC control module
- (2) 18" flex. supply hoses / 3/8" compression fittings

Above Deck Electronic faucets (ADE)
allow for easy control, installation and maintenance

T&S ChekPoint ELECTRONIC SENSOR FAUCETS with Above Deck Electronics include:

- Above deck adjustable temperature control mixing valve with optional side control lever
- Designed to save energy, water and money • Deckplate option (4" and 8" c/c)
- AC/DC control Module (electric plug-in and battery) • Check valves

EC-3122 Series Deck Mount Sensor Faucet

- Single hole deck mount electronic faucet with spout
- Above deck electronics for easy control, installation and maintenance
- Temperature mixing handle
- Manual bypass operation
- (2) 1/8" flex. supply hoses / 3/8" compression fittings
- Internal above deck electronics with flow control setting switches

A HISTORY OF EXCELLENCE

T&S Brass and Bronze Works has built a reputation for quality, service and innovation for nearly 70 years – beginning with our original pre-rinse unit, the market’s very first. Today, our products have become the standard for many U.S. hospitals, schools, restaurants, supermarkets and public facilities.

T&S products are highly acclaimed throughout the industry for being well-built, long-lasting and reliable. Rigorous testing and a focus on interchangeability have helped set T&S apart from the competition.
